# **Our Team Of 'Vicarage Roadies' Look Forward To Welcoming You To Vicarage Road Stadium**

## **Who are the Vicarage Roadies?**

The Vicarage Roadies are here to meet and greet all supporters coming to Watford Football Club on match days. Our group consists of supporters of all ages and most of the Roadies have been Hornets for years. The one thing we all have in common is our desire to go that extra mile and give all supporters the best possible matchday experience.

## **What Do We Do?**

Anything we can do to help is the easy answer. We provide a dedicated service to our disabled visitors, which ranges from escort to your seats, to help with refreshments and everything in between. As Hornets supporters, we know a lot about the Club, the town and the stadium. In the unlikely event we can't help you we will find someone who can.

## **How Can We Help You?**

Our team will provide help, guidance and the answers to any questions you might have when you arrive at the Stadium. To us no problem is insurmountable, whatever you might need, no task is too great or small! Just come and find us, ask us and we will do all we can. As it says on our Roadie jackets, we're 'HERE TO HELP'

## **How and Where Can You Find Us?**

Our team can be found on the approaches to and around Vicarage Road Stadium from at least 90 minutes before kick-off, and we have an information point at the North-East corner of the stadium. You'll easily spot us dressed in our bright green 'Roadie Jackets' with cheerful smiling faces.

## **Sensory Room**

Places in our Sensory Room, which enables children on the autism spectrum to enjoy football in a calm environment, are available for booking on matchdays. The room features a comfortably furnished viewing area, with an excellent view of the action and a state-of-the-art calming area featuring a bubble tube, fibre-optic carpet, soft seating, wall projectors, a glitter-ball with a colour wheel and a Bluetooth speaker system so that visitors to the room can choose their own music if the game becomes too distressing for their child.

Places will be subject to availability and a letter from a doctor/consultant or other healthcare professional confirming diagnosis of Autism Spectrum disorder may be required when booking. Parents will also have the option to visit the Room before matchday, if they wish to check the suitability of the room.
