## Season Ticket Renewals 2022/23

# Existing Direct Debit Mandate

- Supporters with an existing Direct Debit mandate for their 2021/22 Season Ticket wishing to renew for the 2022/23 season need take no action. Your Direct Debit will automatically continue for the 2022/23 season when monthly payments commence in June 2022. Your renewal will be at the Early Renewal Offer Price.
- Supporters with an existing Direct Debit mandate who do not wish to renew for the 2022/23 season should advise us by emailing [supporters@watfordfc.com](mailto:supporters@watfordfc.com) with this instruction. While this mandate will be cancelled by the club on instruction, we'd encourage supporters to cancel it via their own bank once 2021/22 payments have been completed in May 2022.
- Direct Debit payers who wish to use an alternative method of payment for their 2022/23 renewal can do so as per the instructions below. This will result in the request for future payments being cancelled, though as previously we'd encourage this instruction to be cancelled through their own bank following completion of 2021/22 payments.

## **Season Ticket Renewals 2022/23**

# **Additional Information**

### **TICKET DELIVERY**

All season tickets will be issued as NFC Mobile Tickets. Supporters with their 2021/22 season tickets loaded within their digital wallet platform (Apple Wallet/Google Pay) must not remove this pass at the conclusion of the season. When renewed, these existing passes will be updated prior to the 2022/23 season.

Supporters with 2021/22 season cards who wish to continue their card, should keep hold of their existing card. These will continue to be active for the 2022/23 season.

### **75-MILE SEASON TICKETS**

We continue to offer a reduced priced season ticket, with a limited number of games, to those supporters who have made use of this concession since its availability period prior to 2014. Existing 75-mile season ticket holders will be offered their age-appropriate price online or can choose to renew at the full season price. 75-mile season tickets have not been offered to new applicants since 2014.

### **FIRST ADULT/SECOND PARENT PRICING**

Supporters with existing 2021/22 season tickets, priced at the First Adult/Second Parent rate, in the Ann Swanson Family Stand will be offered this renewal price online. Any supporters requiring to amend their 2022/23 renewal to include these price types should contact the Supporter Services team. First Adult/Second Parent pricing applies to bookings with two adults and at least one child in the Ann Swanson Family Stand only.

### **AMENDING EXISTING SEASON TICKETS OWNERS**

Supporters wishing to amend the name associated with an existing season ticket should email [supporters@watfordfc.com](mailto:supporters@watfordfc.com) ahead of their renewal. We will affect the requested alteration and the renewal can then be processed as per the chosen method. Supporters with an existing Direct Debit mandate wanting to change the season ticket owner and their current mandate details should email [supporters@watfordfc.com](mailto:supporters@watfordfc.com). We will make the season ticket available to renew online under the new Fan ID, where a new Direct Debit mandate can be set up.

### **SEAT MOVEMENT WINDOW**

We intend to commence seat movements from Tuesday May 24, though this date is subject to change. During this time any renewed season tickets can be relocated subject to availability. Any difference in price will be applied/refunded at the rate in place when the original renewal was made.

### **FULL-TIME STUDENT PRICE TYPE**

Supporters who will be in full-time education for the duration of the 2022/23 season can select the Full-Time Student price type for their season ticket. This can be applied when making your online renewal, simply select this option from the drop-down menu of available price types. Supporters who claim this price type will need to confirm their entitlement for this concession. This will only be accepted by an email, containing an attached letter confirming your eligibility, sent directly from your place of learning to [supporters@watfordfc.com](mailto:supporters@watfordfc.com). These can generally be organised through the administration department of your college/university and should be arranged no earlier than the beginning of the 2022/23 academic year and no later than 1 October 2022. Student cards will not be accepted.

### **AGE ELIGIBILITY**

The determining date for eligibility for age related price types is 1 September 2022. Supporters aged 18 or under on this date will be able to renew their season ticket at the 18 and under price type. Those aged 65 or over on that date can renew at the 65 and over price type.
